REGISTRATION

RETURNING STUDENTS

Tuesday - Friday, November 17-20
TIMES.....8:30-11:30 am, 1-4:30 pm

AUDIT ONLY STUDENTS...Register January 4-12
(Subject to class availability)

PREPARING FOR REGISTRATION

- Clear your student, housing, and bookstore accounts before registration week. You CANNOT register without clearing these accounts, and problems WILL NOT BE HANDLED DURING REGISTRATION.
- Find your priority number and scheduled registration time (available from advising offices or the Registrar's Office bulletin board, near the mailroom, beginning November 3).

REMEMBER...

- If you come LATER than your assigned time you may be asked to wait until those registering AT their assigned time are finished...NO ONE MAY REGISTER BEFORE HIS OR HER ASSIGNED TIME.
- Minimum payment at registration: ALL fees (including health insurance). Cash or check--sorry, no credit cards. We CANNOT register you without payment of fees.
- Make sure your class request card shows your complete, correct current address (including zipcode), telephone number (including area code), and degree program. Read it carefully to be certain that it records exactly what you want--the correct classes, and the correct grading status for each (grade, CR/NC, or audit). Sign it to indicate that it is correct.
- If you have not already completed the Student Credit Account Information Card (for deferring payment) or the Student Emergency Information Card Fall quarter, or if you need to make any changes in either, get them from your advisor and bring them already completed to Registration.
- If you already have health insurance, bring proof of coverage.

REGISTRATION ALTERNATIVES

 - In some cases, register by mail (contact your academic advisor);

WINTER 1988

FALL QUARTER NOTES

MID - QUARTER

REGISTRATION FOR WINTER QUARTER. Registration for Winter Quarter will be held Tuesday - Friday, November 17-20. Priority numbers and schedules will be posted on the Registrar's Office Bulletin Board by Tuesday, November 3. See the accompanying bulletin for further details on Registration.

CAMPUS DIRECTORIES. You should have already received the first section of the 1987-88 Campus Directory in your mailbox. This first section lists students, faculty and administration/staff and gives such information as program (students), denomination (faculty and students), home address, phone number, and mailbox. Please remember that this directory is for the use of the Fuller community only, and is not to be provided to any individual or organization outside of the Fuller community.

The second section, containing photographs of the same three groups, will be distributed through the mailboxes when it is completed.

INFORMATION UPDATES. If any of the information listed with your name--or your name itself, for that matter--is incorrect, there is one simple explanation: you didn't tell us (at least not in time). If the degree program listed is different from what you think it ought to be, see your advisor first. If any other information listed is incorrect--name, telephone number (including area code), address, box number, or denomination--come to the Registrar's Office for a Change of Information Form, and we'll see that the appropriate corrections are made in the Seminary records. If you are registered but not listed, it probably means that we did not yet have a valid address for you.

DROPPING COURSES. The last day to drop a ten-week course without grade penalty is Friday, October 30. After that date, any course dropped is entered as a No Credit (NC) on your permanent record.

INCOMPLETES AND HOLDS. A reminder that students in all three schools who were granted an Incomplete in Summer Quarter classes (including the classes which met Sept. 8-18) must submit their work to their professors no later than Friday, December 4 (the last day of classes this quarter). Faculty are not empowered to extend this deadline, so please do not put them in an awkward position by asking for more time. Petitions for Extension of Incomplete must be filed through your academic advisor no later than the end of the ninth week of the quarter, and are granted only in the event that extenuating circumstances prevented you from completing the work. Holds granted in Spring Quarter classes (doctoral level) are due at the same time.

TRANSCRIPTS FOR PSYCHOLOGY STUDENTS APPLYING FOR INTERNSHIPS. Because of the unusually high volume of transcript requests at this very busy time of the year, please allow at least one week processing time plus mailing time for your transcript requests. In order to serve everyone to the best of our ability, we regret that we will be unable to honor last-minute "rush" requests. Also please remember:

1. Your first transcript ever requested is free; all others are \$3.00 each.
2. Your Psychology abstract is not available separately from your complete transcript.
3. We cannot provide copies of transcripts from any other institutions, graduate or undergraduate. You must request such transcripts directly from each issuing institution. Many schools take much longer than we do to process transcript requests, so plan accordingly.
